louis poulsen

Quick Ship Program

The Louis Poulsen Quick Ship Program is a collection of some of our most popular and useful products aimed at providing our partners with product options available within exceptional timeframes. Our goal is to provide outstanding solutions to your expedited project needs and allow you to capture opportunity business easier than ever before.

While our Quick Ship Program is focused on providing the options listed in this brochure, we also offer a wide selection of other short lead time products available in our full offering. Please contact us if you need a solution not provided in this program.

Terms & Conditions

- Lead time is to be five business days from date of clean release of purchase orders received by 3:30 p.m. EST.
 All orders received after 3:30 p.m. will be processed the following business day.
- Orders must be placed as standalone orders for quick ship products listed in this brochure only. All non quick ship products must be ordered separately.
- Orders should be emailed to orderentry@louispoulsen.com and "Quick Ship" must be noted in the subject line and clearly stated on order.
- Note that lead times can be extended for large quantities or when an item is experiencing unusual ordering activity.
- Cancellations and change orders are not permitted unless you receive an estimated ship date of more than five business days from date of order release.
- Orders noted with special instructions such as hold for release, do not ship before dates, groupings, modifications, ship complete requests, etc. are not eligible.
- The Quick Ship program is limited to the variants of the products in this brochure, and only available to ship to U.S. customers.

Please note the following

- Lead times are based on inventory and can fluctuate due to unusual ordering activity and other unforeseen causes.
 Please confirm your ship date.
- Purchase orders missing required information (such as address, contact information, etc.), containing errors or for customers with credit issues, will delay the clean release date until such issues are resolved and may be deemed ineligible.
